

How to Add My Child to the Virtual Classroom

Feedback to: virtualclassroom@nmsparents.de

19 March 2020

What is the virtual classroom

The virtual classroom is a learning platform based on „Google Classroom“ which provides an eLearning experience through the sharing of

- Learning material
- Videos
- Teacher interaction
- Student interaction
- Messaging

What can I expect from the classroom

Google Classroom has the following features

- Assignments
- Grading
- Communication
- Archive course

Not all of these features are used in the NMS virtual classroom, in particular grading.

How do I get access to the classroom

- You need an e-mail address from google (a gmail-account) for your child. If you don't have an account create one.
- The class teacher will send an invitation-e-mail to your resp. your child's e-mail
- Go to <https://classroom.google.com/>.
 - On the Classes page, click Join class.
 - Enter the class code included in the e-mail click Join

Alternatives:

- Google classroom app for Android
- Google classroom app for Apple ios

Addendum How to set up a gmail account if you haven't got one

- Open your browser
- Go to mail.google.com
- Find „Konto erstellen“ or „Create account“ and click on it
- Fill the name and user name fields as truthful as you feel appropriate
- Create a password. Write it down
- For confirmation give your telephone number
- You will receive a text message with a number. Once you received it type it into the relevant field.
