Dear year 10 students, dear parents,

As you are aware, the school will not open again until Monday the 20th of April. As stated by the Berlin senate on 13.03.2020, exams will still take place. This not only refers to the written MSA exams, but also to the MSA presentations and to the MSA English oral exam.

**MSA / eBBR presentation exams:**

In order to ensure that all examiners can be present, the dates of the presentation exams have changed. They will take place on:

**Monday 30.03. and on Tuesday 31.03.2020**  
**The times and rooms remain the same.**

We will be taking measures on the day of the examinations in order to make sure that close contact is as limited as possible.

If you still have a meeting scheduled with your MSA tutor:

Your teacher will no longer be able to meet on the school grounds. Please contact the teacher to via email to arrange a meeting by phone or video call.

**Copies of the presentations:**

Please put a USB stick in an envelope labelled with:

1. your names
2. the date of the presentation
3. the room

Place this envelope in the middle school letter box in the corridor in front of the middle school office, before your exam takes place. (One day before is preferred, but the day itself is possible). Joseph Thurai will collect these and upload them. Your exam can only take place once this has been done.

**MSA English oral exams:**

These exams will take place as scheduled, **on Thursday the 26<sup>th</sup> of March**. The exams begin at 8.00 and continue until 13.00. The times and rooms of the exams will be posted in the MSA folder in google
